Badger Pool Employee Policies

The following pool policies have been adopted by the Common Council of the City of Shullsburg

1. No Lifeguards will be allowed to swim after hours.
2. Lifeguards must wear appropriate attire at all times when on duty and some piece of attire must identify the Employee as a lifeguard. No two piece suits will be allowed.
3. The pool temperature is a vital part of the pool operations. The desired water temperature should remain between 80° and 83° throughout the season. At the beginning of the season the pool covers must be used to get the water temperature up to the desired temperature. Once the water temperature is at the desired level, the pool covers must be used to maintain the desired temperature. The pool manager and assistant manager are responsible for making sure that the pool covers are used at the appropriate times to maintain the desired water temperature. The pool manager/assistant manager should consider the nighttime drop in temperature when considering whether or not the pool covers should be used.
4. Lifeguard training costs will be paid in full by the Employee. Employee will be reimbursed half the cost by the City on the Employee's first paycheck after a paid receipt has been submitted to the City Clerk. The second half will be reimbursed on the Employee's last paycheck of the season and is reimbursable only after the Employee has completed the season satisfactorily as determined by the Pool Manager.
5. Water Safety Instructor Training will be paid in full by the Employee. Employee must have prior approval by the City before taking the WSI training class. Employee will be reimbursed half the cost by the City on the Employee's first paycheck after a paid receipt has been submitted to the City Clerk. The second half will be reimbursed on the employee's last paycheck of the season and is reimbursable only after the employee has completed the season satisfactorily as determined by the Pool Manager and Park Committee Chairperson.
